STAT

14. [REDACTED] LIAISON Called George Reidel, Research and Development Subcommittee of the Senate Armed Services Committee, to advise him that in order to give the members a meaningful briefing on the Soviet technology base, the briefing would have to be at the compartmented level. [REDACTED] office had confirmed this. Mr. Reidel replied that he would like to withdraw the request for an Agency briefing on that subject on 9 March. He said he would call us in the future if he wished to reschedule it. Apparently the problem in Mr. Reidel's mind was that under Agency policy, S. Res. 4 staffers would not have been permitted to sit in on the briefing at the compartmented level.

OFFICE OF LEGISLATIVE COUNSEL

Monday - 27 February 1978

TAT 1. [] LIAISON Per her earlier request, I sent to Ann Proctor, Staff Assistant to Senator Thomas F. Eagleton (D., Mo.), the January 1978 issue of the National Basic Intelligence Factbook.

TAT 2. [] LIAISON At Jim Lilley's, NIO/China/NFAC, request, I called Dan Dreyfus, Deputy Staff Director, Senate Energy and Natural Resources Committee, and asked him if he would be willing to allow Agency representatives to debrief him concerning his recent trip to China. He said he would be happy to discuss the trip with respect to energy matters but that political matters would have to come directly from Chairman Henry M. Jackson (D., Wash.). He suggested I include Grenville Garside, the Committee's Staff Director. I then called Mr. Garside and asked if he would be willing to be debriefed. He said he would be happy to accommodate us and we set the briefing for 6 March, to be preceded by lunch at Headquarters. Jim Lilley has been advised.

TAT 3. [] LIAISON Ernest Evans, Senate Armed Services Committee staff, called requesting an unclassified report on the portion of the Soviet military budget that goes to manpower. They intend to use such a report, if one exists, in open session. If no unclassified report exists, they would still like to obtain classified information on the same subject. The request is from the Subcommittee on Manpower and Personnel. I told Mr. Evans I would call him back. [] will follow-up on this. STA

TAT 4. [] LIAISON Called David Bushong, Senate Select Committee on Intelligence staff, to see if he had any indication how the deletions in the Senate debate were being received by the various Senators. He suggested I call Bill Miller, the Committee's Staff Director, which I did. Miller indicated that no one had any problems so far.
